

Intermediate Ultrasound Class Sponsored by Samsung Ultrasound

Soft Tissue Level 2

November 16 and 17, 2019

Irving, TX

The objective for this course is for the attendee to learn the normal and abnormal appearance of all abdominal organs, including pancreas, adrenal glands, and lymph nodes. In addition, scanning technique, machine controls necessary to create a high quality diagnostic image, measurements, and following a consistent scanning protocol will be emphasized. Hands-on scanning will focus on scan technique, recognition of anatomy, and creating a diagnostic scan. Ultrasound guided aspiration and biopsy technique will be covered, and case studies will be presented. The course will be taught by a Board Certified Veterinary Radiologist. Attendees will earn 15 RACE approved CE credits.

The 1st day will be lecture and the 2nd day will be hands-on scanning on a variety of Samsung Ultrasound systems (3 students per station). Lunch and snacks will be provided.

Registration: Discounted Registration fee is \$1350 (normally \$1600) per person. It is limited to 12 participants and it will be filled on a first come, first served basis by receipt of payment.

Registration Deadline: October 25th, 2019

To register, please complete the registration form and fax it to 727-347-7140 you may also email your completed registration form to carmen@choicemedical.com and call us to provide your credit card payment.
